# Seven days in Portugal

With only seven days in Portugal, we had not planned to make a photo presentation. Little did we know what a surprise package it would be!

Every day was something new and interesting...

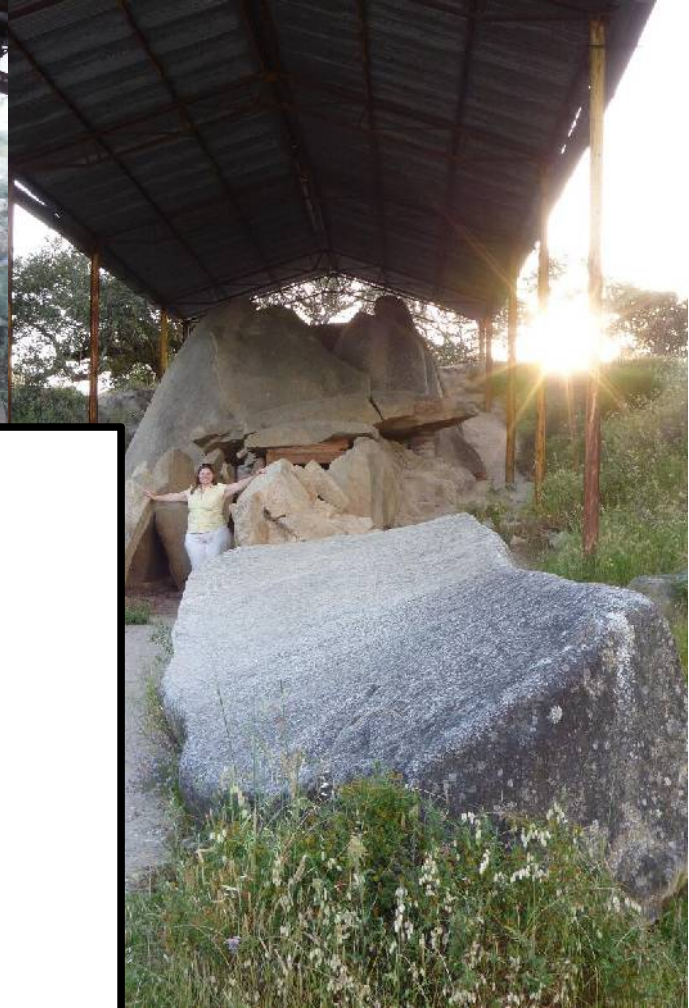

**Domingo**  
**Mountainscapes**  
Hiking in Portugal's high  
country

**Segunda-feira**  
**Marble cities**  
Why not build a city out of the materials locally available? In this region – marble!

## Terça-feira History

Want history?

Roman ruins ca 2000yo

Dolmen ca 5000yo

Monoliths ca 7000yo

Or if that's not enough...

...brontosaurus footprints?!

**Quarta-feira  
Food**  
Yep, it's all one meal.  
A 10 course degustation for  
€35 (about \$50!)

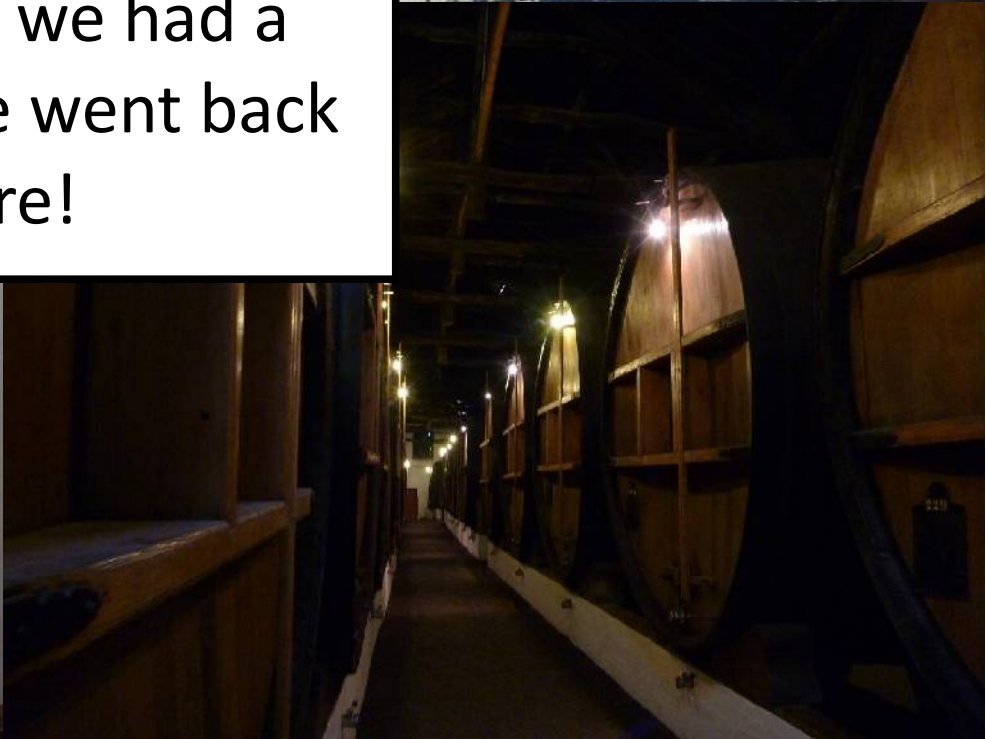

## Quinta-feira Monuments

A rich man's fantasy castle,  
a royal palace, a victorious  
King's monastery and a  
pilgrims' basilica

**Sexta-feira**  
**Mmmmm, Port(o)**  
Porto is the home of all port wine. Oh yes, we had a tasting. And we went back for more!

**Sábado**  
**More mountains**  
Back into the mountains, to  
meet some of the locals

Portugal, you surprised us. We will be back – for more than seven days next time!  
Adeus!  
*(Aaahh-deeee-ooosh)*
